

Etna Elementary School Library

We are fortunate to be able to serve our community with a wide selection of books in our school library! Our collection can be browsed online at <https://etna.goalexandria.com>. You can also find it by going to the school website etna.lcsd2.org, clicking on the 'Library' tab, then clicking the QR code under "Resources" in the right sidebar.

As your children grow and move into longer and more complex books, we encourage you to have frequent and open conversations with them about the books they are choosing and reading. You can see which books your child currently has checked out by logging into the online catalog. Navigate to the catalog as described above, then click "log in" in the top right corner.

Username: student's school ID number

Password: student's last name

[Your child should be familiar with their ID number; it is used in their email handle, their AR login, and as their lunch number when buying school lunch.]

If their books don't automatically load, please click the "My Account" icon.

Please note that the circulation system does not keep a history of previously checked-out books due to privacy laws.

The LCSD2 library team utilizes a Community Readers group to help us preview books that we will potentially add to our collections. If you would like to join our Community Readers group, please provide your contact information below. There is no required time frame for reading books or a required amount of books you have to read.

Name _____

Phone Number _____

Email address _____

Grade level preference for books to preview:

Kinder - 3rd _____ 4th-6th _____ 7th-12th _____ No Preference _____
